2.3 Changes in major financial statements item and financial indicators and reason thereof

✓Applicable □Not Applicable

Items	Increase/ decrease (%)	Main reasons for the changes
Operating revenue – from beginning of the year to the end of the reporting period	41.64	Mainly due to the increase in sales volume resulted from the release of new production capacity of PV glass, which was partially offset by the decrease in average sales price
Net profit attributable to owners of the parent – from beginning of the year to the end of the reporting period	30.86	Mainly due to the increase in sales volume resulted from the release of new production capacity of PV glass, which was partially offset by the increase in the cost
Net profit attributable to owners of the parent after deducting one-off non-operating items – from beginning of the year to the end of the reporting period	32.44	Mainly due to the increase in sales volume resulted from the release of new production capacity of PV glass, which was partially offset by the increase in the cost
Net cash flow from operating activities – from beginning of the year to the end of the reporting period	-101.95	Mainly due to the continued release of new production capacity in the half year, the increase in the purchase quantity led to a substantial increase in cash paid for goods and services; Meanwhile, the payment received was mainly due to notes receivables with a period of 180 days, resulting in a substantial increase in the balance of notes receivables and financing receivables projects, which were not included in the cash received from sale of goods or rendering of services. Cash flow from operating activities has improved substantially in the third quarter.
Basic earnings per share – from beginning of the year to the end of the reporting period	28.57	Mainly due to the increase in net profit attributable to equity owner of the Company
Diluted earnings per share – from beginning of the year to the end of the reporting period	30.43	Mainly due to the increase in net profit attributable to equity owner of the Company
Equity attributable to owners of the parent – as at the end of the reporting period	56.74	Mainly due to the increase of paid- in capital and capital reserve caused by the non-public issuance of shares, and the increase of undistributed profit
